

Welcome to AcadeMir Charter School East — where *Adventure Awaits!*

It is with great pride and excitement that I welcome you to a new school year filled with promise, possibility, and purpose. I am thrilled to share that AcadeMir Charter School East has earned an **A rating**, growing **14 points** from the previous year. This remarkable achievement reflects the hard work of our dedicated teachers, the resilience of our students, and the steadfast support of our families and community.

This year's theme, *Adventure Awaits*, invites us to embrace learning as a journey—one filled with exploration, curiosity, and discovery. Whether it's mastering a new concept, solving real-world problems, or diving into a hands-on STEAM project, each day at AcadeMir presents new opportunities to grow academically, socially, and emotionally.

As we embark on this year's adventure together, know that our commitment to academic excellence, student well-being, and community partnership remains stronger than ever. Let's continue building a future where every child feels inspired, challenged, and supported.

Thank you for being part of the Tiger family. I look forward to the incredible things we will accomplish together this school year.

With Tiger Pride,
