CARMEN M. GARCIA
PRINCIPAL

Welcome to the 2026-2027 School Year

Dear ACSE & ACSEM Faculty and Staff,

It is with great excitement, gratitude, and a deep sense of purpose that I welcome you to the 2026-2027 school year at AcadeMir Charter School East and AcadeMir Charter School East Middle. I am truly honored to join the Tiger family as your new Principal and look forward to getting to know each of you as we begin this exciting journey together.

Allow me to introduce myself. My name is Carmen M. Garcia, and I bring 39 years of experience in education, having served in a variety of instructional and leadership roles throughout my career. Those experiences have strengthened my belief that exceptional schools are built through strong relationships, collaborative leadership, and an unwavering commitment to student success. I firmly believe every child deserves an outstanding education, and every educator deserves to feel respected, supported, and empowered to do their very best work.

From everything I have learned about AcadeMir Charter School East and East Middle, it is evident that this school community is built upon dedication, excellence, and a genuine commitment to students. I am excited to become part of a team that has already established a tradition of success, and I look forward to building upon that strong foundation alongside each of you.

As we begin this new school year, we have much to celebrate. Earning a Double A School Grade from the Florida Department of Education is an outstanding accomplishment and a testament to the dedication, professionalism, and hard work of our faculty, staff, students, and families. While this achievement is certainly worth celebrating, it also challenges us to continue growing, innovating, and striving for even greater success. Excellence is never a destination. It is a continuous journey.

Our theme this year, **Racing Into Excellence**, reflects our commitment to continuous improvement, teamwork, perseverance, innovation, and high expectations. Like a championship racing team, every member has an important role in reaching the finish line. Success is built through preparation, trust, collaboration, and a shared commitment to providing every student with the highest quality educational experience. Together, we will continue creating an engaging learning environment where students are challenged academically, supported emotionally, and inspired to become confident, compassionate, lifelong learners.

As your Principal, I am committed to leading with integrity, transparency, collaboration, and respect. My door will always remain open because I believe the strongest schools are built through meaningful relationships, shared leadership, and a common vision. I look forward to learning from each of you, celebrating your successes, and working together to ensure every student reaches his or her fullest potential.

Thank you for welcoming me into the AcadeMir family. I am honored to serve alongside such an outstanding team of educators and professionals, and I am excited for everything we will accomplish together this year.

The starting lights are on. Our engines are ready. Together, we will continue Racing Into Excellence.

Thank you for your passion, your dedication, and your unwavering commitment to our students. I look forward to an incredible school year.

Carmen M. Garcia
